    <h1>Vision</h1>
    <div class="content">
        <p>1. To cultivate a culture of innovation and problem-solving among students through programming and technology.</p>
        <p>2. To empower students with practical coding skills that bridge the gap between classroom learning and real-world applications.</p>
        <p>3. To create a collaborative community of tech enthusiasts who learn, build, and grow together.</p>
        <p>4. To encourage participation in national and international coding challenges, promoting competitiveness and confidence.</p>
        <p>5. To inspire students to develop impactful projects in emerging domains like AI, Web Development, Cybersecurity, and Data Science.</p>
        <p>6. To connect students with industry experts and alumni, fostering mentorship and career opportunities.</p>
        <p>7. To promote open-source development and contributions that benefit both the college and wider tech community.</p>
    </div>

    <h1>Achievements</h1>
    <div class="content">
        <p>1. Organized multiple coding competitions and hackathons such as CodeSprint, AlgoWars, and Hack the Future.</p>
        <p>2. Conducted hands-on workshops and bootcamps on topics like Python, Web Development, Machine Learning, and Data Analytics.</p>
        <p>3. Collaborated with tech communities like Google Developer Student Clubs (GDSC), GitHub Campus Program, and IEEE for events.</p>
        <p>4. Developed in-house college projects, such as attendance trackers, placement portals, and event management systems.</p>
        <p>5. Guided students in competitive programming, helping them achieve top ranks on platforms like HackerRank, LeetCode, and CodeChef.</p>
        <p>6. Hosted expert talks and webinars featuring software engineers and startup founders.</p>
        <p>7. Encouraged participation in national hackathons such as Smart India Hackathon and CodeStorm, with several teams qualifying for finals.</p>
```

```html
    <p>8. Maintained an active GitHub repository showcasing student-led open-source projects.</p>
    <p>9. Helped members secure internships and placements in top tech companies through peer mentoring and coding interview prep sessions.</p>
  </div>
